

SUSTAINABLE BUSINESS DEVELOPMENT TO BUILD COMMUNITY

TNDC is honoured to be part of the future of Northwestern British Columbia, contributing to an economically strong and socially healthy community, fostered by responsible resource and industrial development.

As the business arm of the Tahltan Nation, the Tahltan Nation Development Corporation (TNDC) capitalizes on sustainable, ethical and responsible business and economic development opportunities in the region that respect Tahltan values, principles, title and rights, lead to job creation, training and business opportunities for Tahltan members and support community economic development.

TNDC has two core functions to fulfill its mandate:

- Contribute to the overall financial independence of the Tahltan Nation
- Support employment-related development of Tahltan members

EMBRACING A BALANCED APPROACH

TNDC embraces a triple bottom line approach to our business practices – people, profit and planet – balancing environmental, economic and social considerations. TNDC strives to be a financially strong and well-respected business corporation, fostering ethical and responsible development opportunities inside and outside Tahltan territory. TNDC establishes mutually beneficial, collaborative relationships that benefit the Nation, TNDC and our partners.

MAINTAINING A SOLID REPUTATION

TNDC has earned a reputation as an experienced, qualified, reliable and competitive business working on hundreds of local projects including mines, hydroelectric and transmission lines. TNDC has earned its position in the industry by providing quality service, ensuring value for money, delivering on its commitments and being accountable to our customers, shareholders and the community.

TNDC's vision is to be the leading business corporation and employer of Tahltan members in Tahltan territory.

TNDC's range of services include road construction and maintenance, camp construction and operation, communications, drilling and blasting, environmental services, heavy equipment operation, power line construction, transportation and tunnelling.

GROWING A BUSINESS AND A COMMUNITY

TNDC strives to maintain a profitable organization that generates wealth, economic, employment and training opportunities for all members of the Tahltan Nation and benefits the entire Stikine community. Our success has been realized by our accomplishments:

- Creating new jobs and careers
- Offering training and apprenticeship programs
- Contracting Aboriginal and non-Aboriginal companies
- Supporting new business start-up and expansion
- Contributing to non-profit, youth, sport, community and cultural initiatives

PROVIDING MEANINGFUL EMPLOYMENT

TNDC is the largest employer in Tahltan territory. We provide employment in camp services, administration, earth works and mechanical projects in various positions, such as housekeepers, chefs, heavy equipment operators, mechanics, administration and safety. TNDC provides competitive wages, supports training and certification and works with our employees to advance their careers.

SERVING THE INDUSTRY

TNDC provides a full suite of specialized services to support the forestry, hydroelectric power, mining and other industries. Together with more than 25 partners and backed by a trained and experienced local workforce, TNDC provides a full suite of specialized contracting services and supports all aspects of resource and industrial development projects. TNDC owns and leases a fleet of heavy equipment and trucks, enabling the corporation to provide a wide range of services.

“TNDC is a model for successful economic and social development. With demand from responsible industrial developers, TNDC has the opportunity to become one of Canada's largest Aboriginal-owned corporations.”

—Robert Simpson, President, PR Associates
