

Employment Opportunity

Position: Superintendent
Location: Remote Site
Closing Date: Ongoing, until position filled

Tahltan Nation Development Corporation (TNDC) is hiring a superintendent. The superintendent will play a key role in the successful execution of various projects. This position will oversee and direct the work of crews and contractors to ensure that the project is being carried out safely and according to schedule. The work is at a remote location in a camp setting on a 2 week on/2 week off rotation, working 12-hour shifts.

The successful candidate will be a key player in a highly progressive and motivated team who will lead by example, possess a positive attitude, make safety a priority and be a good ambassador for TNDC.

Responsibilities

Reporting to the site supervisor or designate, responsibilities include, but are not limited to:

- demonstrates absolute commitment and leadership in providing a safe working environment
- ensures all incidents, near misses and hazards are reported and recorded
- develops, maintains, and drives the construction schedule in conjunction with the project and operations team to ensure budgets and timelines are met
- provide leadership to team members through career development, coaching, training, and performance management
- strategically plans and implements manpower levels and material quantities and ensures proper equipment and trades are available as required
- supervises employees and contractors to achieve all required project deliverables
- fosters a culture of teamwork with staff and management

Qualifications and experience

- 5+ years of civil or mining construction experience in a supervisory role required; experience working in a Tier 1 company standard preferred
- qualified trade or heavy equipment operator background required
- working knowledge of health, safety and environmental protection practices and procedures
- solid understanding of current construction practices; heavy civil experience being essential
- excellent written and oral communication skills with attention to detail
- proficient computer skills with MS Office (Outlook, Word, Excel, etc.)
- able to take direction, follow instructions, multi-task, and adapt to changing priorities
- a team player who works respectfully and cooperatively with others

Conditions of Employment

- pass mandatory pre-employment drug and alcohol screening and fitness for work assessment where required
- valid Class 5 driver's license required
- valid Occupational First Aid Certification (OFA) and WHMIS Certification preferred
- the ability to maintain high levels of performance over 12-hour shifts
