

Employment Opportunity

Position: Fuel & Lube Truck Operator
Location: Remote Site (Newcrest Red Chris Mine)
Status: Term; Field Employee
Closing Date: Ongoing, until position filled / project completion

TND is recruiting for a Fuel & Lube Truck Operator for work at our Newcrest Red Chris Mine jobsite and will be required to work and stay in camp during their shift. Shift rotation will be 14 days on and 14 days off, working 10-12 hours per shift.

Responsibilities will include and are not limited to operation of a fuel & lube truck, inspection and maintenance of the equipment, components and systems that are integral to the operations mining activities and facilities. Servicing of large mobile equipment also required.

Skills & Experience

- 3-5 years related work experience with an excellent safety record
- experience in mining operations is considered an asset
- experience working around heavy equipment
- strong oral and written communication skills
- ability to work with minimal supervision
- ability to exercise initiative and good judgement
- ability to work independently and cooperatively as part of a team
- ability to work under pressure and effectively manage stress
- ability to complete projects that require working outside for extended periods of time in a range of weather and terrain conditions

Conditions of Employment

- ability to pass a mandatory pre-employment drug and alcohol screening
- valid class 5 driver's license required
- valid WHMIS Certification preferred
- valid Occupational First Aid Certification (OFA) preferred
- ability to lift/move up to 50lbs and maintain high levels of performance during shift
