

Employment Opportunities

TNDC is seeking candidates for the following positions in its Construction division:

- Construction Supervisors
 - Heavy Equipment Operators
 - Rock truck drivers
 - General Labourers
 - Class 1 or 3 drivers with air brake endorsement
-

TNDC is looking for those who are committed to a positive and safe work environment, practice safe work procedures and arrive for work on-time and ready for work! Successful applicants will be required to work and stay in a remote camp setting during their entire shift. Flights may be available depending on the jobsite and COVID-19 vaccination status. All wages are paid in accordance with the BC *Employment Standards Act*.

Responsibilities

Reporting to the site supervisor, or designate, responsibilities include, but are not limited to:

- attend toolbox, safety and other meetings or discussions as required
- perform pre-shift and post-shift trip safety inspections, job hazard analyses, and daily equipment reports
- prepare working area and adhere to all job safety requirements prior to starting work, always keeping work site safe and free of hazards
- maintain good housekeeping practices on equipment
- perform minor repairs and maintenance on equipment being operated
- participate in any other specified training
- assist in general labour and other duties as required

Qualifications, Skills and Experience

- Heavy Equipment Operator certification preferred for the HEO positions
- valid driver's license required; must be able to provide current driving record
- valid Occupational First Aid (OFA) and WHMIS certificates preferred
- proven commitment to safety, health, and environmental standards
- able to take direction, follow instructions, adapt to changing priorities and multi-task
- strong work ethic with an ability to work independently with minimal supervision
- strong oral and written communication skills and able to use diagnostics
- a team player who works respectfully and cooperatively with others

Conditions of Employment

- pass mandatory pre-employment drug and alcohol screening and fitness for work assessment
- ability to safely climb and access equipment, as well as lift heavy objects up to 50 lbs
- ability to stay alert and pay attention to detail during duration of shift and extreme weather conditions
- proof of COVID-19 vaccination may be required, depending on jobsite
