

ABOUT TNDC

ABOUT TNDC

As the business arm of the Tahltan Nation, TNDC pursues sustainable and responsible business development opportunities in the region that lead to employment, training and opportunities for Tahltan members. With locally based equipment, personnel, knowledge and experience, TNDC has established a reputation as an experienced, qualified, reliable and competitive heavy construction, road building and camp services company focussed on safety, quality and integrity.

SERVICES & CAPABILITIES

TNDC provides heavy construction, equipment contracting and camp services to all industries operating in Tahltan Territory. TNDC also provides labour, logistics, expediting, personnel shuttles, ground transportation, heavy equipment hauling and support operations in administration and accounting. To expand its service capabilities, TNDC has established business partnerships with industry experts providing a range of services.

PRIMARY BUSINESS UNITS

TNDC's primary business units are Heavy Construction & Earthmoving and Camp Services & Management. Together they provide many related services. TNDC has extensive heavy construction capabilities through our fleet of excavators, rock trucks and other heavy equipment.
